COMMERCIAL

## EXPERIENCE

Dennis Stevens is a seasoned professional who joined TOK Commercial's Eastern Idaho team in 2023. Dennis offers more than 45 years of real estate experience including investment sales and 1031 exchanges. Dennis is trusted for service and known for results. His clients know Dennis can be trusted to help them achieve their real estate objectives while he minimizes their risks and maximizes their results. Alongside his knowledge of commercial real estate, Dennis also has extensive experience in successfully marketing development land, farms, and ranch properties.

As a professional with years of industry experience, Dennis is also a current CCIM candidate and holds a GRI designation. Whether you are looking to purchase or market properties, Dennis is one of your strongest assets. He truly enjoys being an expert guide and serving the interests of his clients with integrity and expertise.
